

World's Foremost Skiers Compete In Championships

North American Events To Provide Test Of Runs For Olympics

SQUAW VALLEY—Indications are that the North American Ski championships schedule at Squaw Valley this weekend will draw the finest field of participants ever congregated in a Sierra tournament.

The event is sponsored by the Squaw Valley-Lake Tahoe Ski Club with much of the cost shared by the California Olympic Commission since the races are a tryout for the 1960 games. Included in the list of entries will be Toni Sailer, Austria's three-time gold-medalist Olympic winner, and his team-mates Josi Rieder and Adeler Molterer; Rogar Staub, Switzerland; Francois Bonlieu, France; Bruno Alberti, Italy; Christian Pravda, Sun Valley, Ida.; and Americans Buddy Werner, Marvin Melville, and many more.

The women's field will have such foreign-born aces as Therese Leduc, France; Putzi Frandl, Austria; Freida Danzer, Switzerland; Inger Bjornbakken, Norway; Christine Davy, Australia; and Clara Marchelli, Italy. The top Yankee girls will be Noni Foley, Madi Stringer-Miller, Sally Deaver, and Skeeter Werner.

The downhill course for the tourney will be set by Willy Schaeffler, coach of the championship Denver University ski team. It will parallel the straight race run that Schaeffler already has designated as preferable for the winter games here in 1960.

Stein Eriksen, Norway's 1950 Olympic medal ace, will set the men's slalom course, while the women's is to be laid by Yves Latreille, former national champion from Canada, who now resides in Los Angeles.

Osborn Takes Over Associated Agency

A business transaction of local interest was consummated this week when it was announced that Charles Osborn will succeed R. R. Frank as distributor for Tidewater Associated Oil products in this territory, on April 10.

Osborn will continue to operate his Associated Station on the main street in Truckee, as well as manage the distributorship.

Frank, who has held the distributorship for the past several years, is turning it over to Osborn so that he can devote his time to carrying the mail from Truckee to Colfax daily under a contract with the Southern Pacific Company. The PMT has been handling the mail route in the past, but decided to award it to a contractor. The job requires a round trip from Truckee to Colfax each night.

At the same time Frank said he was relinquishing a contract with the post office as messenger carting the mail between the post office and the depot twice daily.

Osborn will continue to operate the distributorship under the same conditions as in the past.

TRADE WINDS OPEN AS ROSS RETURNS FOR BUSY SEASON

KINGS BEACH—Jo Ross, owner and operator of the popular Trade Winds here, has returned to Kings Beach for the season and Monday the bar was opened. George Ridgway has resumed his position as manager of that part of the business and Ross announced the dining room will be opened in the near future.

Jimmy Chin, famous Chinese chef who has presided in the kitchen of the Trade Winds for a number of years, will take up his duties when the dining room opens.

TAHOE FIRE DISTRICT BEFORE BOARD TUES.

KINGS BEACH—All residents of North Tahoe are urged to attend a meeting at 10 a.m. on April 9 in the board of supervisors office at Auburn if they are interested in North Tahoe fire district.

Those unable to attend are requested to write a letter, telling of their wishes concerning the formation of the service to the community.

Driver Sentenced

TAHOE CITY—Richard S. Kenner of Reno was sentenced to pay a fine of \$315 or spend 90 days in the Placer County jail after being found guilty of drunk driving before Judge Harry Harrison in the Tahoe Judicial District Court Monday. He chose the jail term.

Kenner was arrested by Sgt. John Rabaska of the sheriff's department near Sandy Beach Sunday afternoon.

Sees Friends—

Mrs. O. Schumacher came back from Paradise last week, stopping enroute to see Mr. and Mrs. O. J. Rablin at Roseville.

School Play Will Start 2-Day Run Tonight At 8 P.M.

By Joanne Palmer

Tonight is opening night of the Theatre 57 production of "Girl Crazy" in the high school gymnasium at 8 p.m. This Broadway hit will run for two nights and tickets are available from any senior student.

The senior class began work on this comedy last November and everyone has worked hard to make it a success.

"Girl Crazy" was written by Guy Bolton and John McGown and played the "Great White Way" as a musical for several years.

A situation comedy, "Girl Crazy" finds its hilarity, not so much in plot, as in witty dialogue and colorful characterizations. The story involves a young New Yorker, Danny Churchill, who is sent "out west" to mend his "playboy" ways. Danny, as portrayed by Tom Sheehan, brings the bright lights and glamour of New York to the small, cactus-covered town of Custer, Arizona, and turns them on—full blast.

Jude Commagere, as Molly, provides the steady influence that Danny needs to settle him down to serious living but, not before a series of suspenseful and comical interludes.

Dean Herzog and Bob Heuga will play the Brooklyn cab driver, Louie, on alternate nights. Karen Decker, as Rose, is the devastating Brooklynite, who is in love with Louie.

Doug Wilson, as Jake, is the old-timer of Custer, whose western pride inspires all. Nikki Wing plays Tess, the young, New York sophisticate, who chases Danny to Custer.

The Arizona badmen will strike terror to all hearts as they attempt to carry out their devious deeds. Doug Cooke, as Lank, is the ruthless outlaw leader of Custer. Carol Street, as Pete, is Lank's sidekick. Dave Rickert and Wes Ball play Cactus and Lucky, cowboys on the Churchill spread.

Bob Trask, as Sam Mason, provides competition for Danny with Molly and also a great deal of confusion in the third act. Lin Loynd, Janice Mandeville, Marilyn Brown, and Rosalie Kaspian are the extra glamour cow girls called for in the script, and Mayton Record plays the inquisitive detective.

The backstage crew has spent weeks gathering western outfits, setting up scenery and doing all the little things which create a big success. Scott Gilmore and Frank Giovannoni have set up the sound effects system. John Nickelson, Roger Halbert and Ken Lavery have set up the lighting effects, stage, and backdrops.

Roselee Christensen and Ernestine Alameda, along with Kirby Kiser, Jacquie Abbott and Rosalie Kaspian have spent hours making the many posters advertising the event. Sonja Schmidt has had charge of ticket sales, and Marilyn Brown has been handling the huge costume job.

There will be refreshments served as well as a cake sale on Thursday night. Bob Armstrong has charge of the cake sale and Anita Antillon, Jacquie Abbott and Joanne Palmer will be acting as usherettes.

Frank Ratliff is the director of the play.

New Fire Alarm System Is Declared Effective

Fire Chief N. F. Dolley this week announced that the new fire alarm system, changed over to operate on the new dial telephone setup has been tried out a number of times and found effective and reliable.

Much of the credit for this is due to H. L. (Bud) Owens, Truckee electrical contractor and captain of the fire department, who had charge of rewiring and installing the electrical equipment.

Attends Funeral

Mrs. L. D. Nelson returned home last week after attending funeral services in San Francisco for Mrs. Madge Whistler, mother of Mrs. Roy Stallard and a frequent local visitor when the latter resided here. Mrs. Whistler succumbed to a heart attack following an operation three weeks ago.

In Hospital—

Mrs. Jeanette Mitchell of Tahoe City is in the Tahoe Forest Hospital where she was rushed Tuesday evening for treatment for a heavy chest cold.

Four Lining Of 40 Complete By '62 Meeting Is Told

Placer Chamber Honors All Who Assisted In Big Highway Project

Highway 40 over the Sierra will be completely four-laned by 1962, if the prediction of Frank B. Durkee, state director of public works comes true.

Durkee spoke at a dinner meeting at Donner Summit Lodge last Wednesday evening at a program arranged by the Placer County Chamber of Commerce honoring those who have worked for the new highway program.

Seventy civic leaders from California and Nevada received congratulations from the chamber for aiding in the drive to four-lane the route.

The banquet served as a grand finale to the five-year promotion of the main trans Sierra roadway.

The augmented federal highway financing program is helping speed up the work of improving US 40. State road builders are rushing improvements in time for the 1960 Winter Olympics at Squaw Valley but short construction seasons in the mountains preclude finishing by that time.

Durkee estimated the value of projects under construction at \$48,734,000 and said \$10,255,000 is budgeted for future work.

Special tribute was paid to the late James D. Dobbins, former organizer and chairman of the Placer chamber, who died last December.

Other speakers included State Senator Harold T. Johnson and representatives of various chambers of commerce and state officials.

Rainbow Girls Are Organized In Meet

Over 250 members of the Masonic Lodges, Eastern Stars and friends of Rainbow were present from California and Nevada at the institution, initiation and installation of Hope Assembly, L.T., Order of the Rainbow for Girls of Truckee, in the Masonic Hall, Sunday afternoon and evening.

Truckee Chapter, No. 116, Order of the Eastern Star is sponsoring the Assembly in this area and the Assembly will be under the jurisdiction of the State of Nevada.

The institution, initiation and installation ceremonies were beautifully exemplified by the grand officers, State of Nevada, Order of the Rainbow for Girls, and the supreme deputy in Nevada, Mrs. Margaret Kofoed, assisted by Elmay Philippi, worthy matron and Wayne Philippi, worthy patron of Truckee Chapter, No. 116, Order of the Eastern Star and Evelyn Mandeville, marshal.

A dinner was served in the banquet hall for Rainbow Girls and guests in the evening. The banquet room had been attractively decorated by the Rainbow Girls in the rainbow colors and varied colored butterflies.

Details of the program, the new officers and installing officials will be listed in next week's Sierra Sun.

LIQUOR LICENSE IS DENIED COUPLE HERE

SACRAMENTO (CNS) — The state Department of Alcoholic Beverage Control has refused to approve the transfer of an on-sale general liquor license by Bernice V. and Dan S. Redmond, of the Olympic, in Truckee.

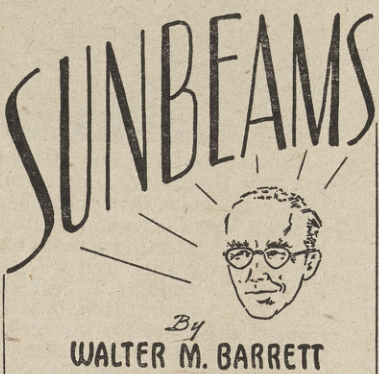

The establishment is situated on the west side of Bridge street, near the intersection with U. S. 40. The department sustained protests to the transfer which contended the premises are located in the immediate vicinity of a church and school.

Meet Postponed

The April meeting of Donner Chapter, No. 56, California State Employees Association has been postponed until April 18, according to President Hes Cardinal. This action will allow many members of the local chapter to travel to Auburn tonight to attend the retirement party for Officer Earl Crane of Baxter.

Sees Friends—

Mrs. J. H. Bernard of Livermore visited local friends last week.

WALTER M. BARRETT

The dog problem here is again getting a bit out of hand and unless steps are taken to eliminate vicious packs, real trouble may result. We do not mean by this that individuals should take matters into their hands and destroy someone else's animal, but we would like to impress dog owners of the importance of knowing at all times where their animal is and what he is doing. A recent occurrence at Meadow Park in which a 12-year-old family pet was attacked and brutally slain by a pack of other dogs, should bring home the potential danger to other pets and even children. Deer are moving back into their summer pastures and offer a lush target for the packs of half-wild canines. The law is specific in making owners responsible for the conduct of their animals and it should be emphasized that the owner alone has a definite responsibility. The ancient pet, recently literally chewed to death, was not the first family pet to meet such a horrible fate this spring and something MUST be done to eliminate a similar incident for a helpless child. Deliberately shooting or poisoning another's dog is also illegal and should never be done as this method never corrects anything. However, dog owners are now warned and unless some action is taken to stop the nuisance irreparable damage might result.

Welch Candidate For School Position

Hal Welch, owner of the St. Louis Cafe in Truckee, has announced he has declared his intention to be a candidate as trustee of the newly organized Placer County Junior College District.

Welch is a past president of the Truckee Chamber of Commerce and has been active in civic affairs of the community. He currently is heading a chamber of commerce committee designed to study the feasibility of incorporating the area into a city. Last year he was named by the 20-30 Club as the district's most valuable citizen.

The position he seeks is now held by Reg Smart of Truckee, appointed by Superintendent Albert Bequette to fill the interim term. The election will be held May 17th. April 17th is the final date for candidates to file for the office.

BIDS ARE ASKED FOR LAKE SCHOOL JOB

Plans for the Kings Beach school multi-purpose room have been approved and processed through the division of architecture. The governing board plans to advertise for bids, which will be opened April 26, at 8 p.m., with construction to start approximately 10 days after opening of bids.

Any local contractor who is interested in submitting bid to the board may get a set of plans from the architect, Gordon Stafford, 1024 1/2 J street, Sacramento, upon payment of \$25.

Three Are Injured In Accident On Summit

Three people were hurt Sunday morning at 4 o'clock when a car driven by Paul Robert Brown, 31, Reno, failed to negotiate a curve five miles east of Truckee and crashed into the rocky terrain beside Highway 40.

Injured were the driver and Edwin G. Lamey, 26, and Nancy Mitchell, 25, also of Reno.

The driver was cited by the CHU for speeding and not having his car under control.

High School PTA Will Select New Officers

Election of officers will be on the agenda for the regular meeting of the Tahoe-Truckee High School PTA to be held on Thursday, April 11 at 8 p.m. in the high school.

Mrs. Gunkel of Kings Beach will be chairman of the refreshment committee.

Bus, Truck Crash Injures Four At Hirschdale Bridge

Slippery Highway Blamed As Spectacular Wreck Hurts Four

Twenty passengers on an east-bound Pacific Greyhound bus narrowly escaped death or serious injuries Monday shortly after midnight when the vehicle, driven by Joseph W. Eckles, 55, Reno, and a huge truck operated by Harry L. McCoy, Salt Lake City, side-swiped on the narrow bridge at Hirschdale.

The bus careened down the highway for nearly 100 yards before it plunged through a guardrail and went down a 30-foot embankment before overturning.

The bus driver, Eckles, was treated at the Tahoe Forest Hospital for a broken knee and back injuries and one passenger, Mrs. Sarah B. Toole, 55, Oakland, had broken ribs and back injuries. She was also taken to the local hospital.

Two other passengers, Anthony Agasta, Sacramento, and Marenne Campton, San Francisco, were treated in Reno for minor injuries.

Eckles had been driving for the company for the past 15 years and was credited with preventing a worse accident by his maneuvering of the big bus.

Sgt. Frank Snyder and Patrolmen Carroll Maynard and Bud Callen investigated. Because of the snowy condition of the highway, it was impossible to determine the point of impact and no citation was issued.

Lake Accident

Albert G. Swope, 33, San Jose, was killed under his car Monday morning near Glenbrook. Patrolmen said Swope stopped to put on tire chains and was apparently under the vehicle when it slipped from the jack and crushed him to death. The body was discovered about 2:30 a.m.

MRS. SAM FOLLETT IS HONORED BY LODGE

Mrs. Sam Follett was signally honored recently by the Naomi Rebekah Lodge, No. 2, when she was presented with her 50-year pin during a ceremony. The presentation was made by Mrs. Charles Heller.

The recipient of the gift has been receiving the felicitations of her fellow lodge members and other friends for her interest and devotion to the work of the lodge over the half century period.

MANY ITEMS TO BE ON BOARD AGENDA

A number of important matters are scheduled on the agenda for the meeting of the governing board of the Tahoe-Truckee School District next Tuesday at the high school.

Among other things, the board will discuss the possible sale of the old Meadow Lake high school building; sign agreement with the architect covering the proposed new building program; approve school calendar for the 1957-58 school year; review expenditures and discuss preliminary budget.

There will be a dinner meeting at Hotel Auburn Tuesday, April 30 at 7 p.m. to discuss reactivating the Trustee Association of Placer County.

Reg Smart will preside at the meeting Tuesday.

Hurt In Wreck

Patrick John Burke, 22, Sacramento, and his companion, Sally Murphy, 22, also of Sacramento escaped serious injury last week when their car failed to make a turn a mile and a half west of Kingsvale and plunged off the road into a rock. The driver, taken to the Tahoe Forest Hospital for treatment, was cited for speeding.

AT CONVENTION

Dr. and Mrs. R. W. Affeldt left today for Los Angeles where the former will attend a class reunion of the University of Southern California graduates and later a dental clinic being held there. The couple will return next Wednesday.

NEW TAXI

Mrs. John Elliott, who operates Flynn's Taxi Service, is driving a new Chevrolet station wagon, which has modernized the local taxi business in Truckee and Squaw Valley.

Charles Whites Are Feted On Their 56th Wedding Date

Mr. and Mrs. Charles B. White were complimented by members of the Truckee Chapter, No. 116, Order of the Eastern Star on Tuesday evening prior to their 56th wedding anniversary which will be celebrated on April 10.

During the affair the feted couple were presented with a gift for their home and Mrs. White received a corsage. A wedding cake was cut during the refreshment time, climaxing the memorial occasion.

The couple has lived in their present home for 53 years, coming here from Sacramento and Auburn at the turn of the century. Both Mr. and Mrs. White have taken an active part in the social, civic and fraternal life of the community, which has progressively become a better place to live, partially because of their efforts.

White continues his insurance business and has been an official in the Chamber of Commerce, Truckee Public Utility District, was instrumental in the growth of the highway, schools, started the bank here in 1928, serving as its manager until 1939. He became an agent of the Southern Pacific Company in 1896. Their son and daughter-in-law, Mr. and Mrs. Charles White, and granddaughter, Marilee live in Sacramento.

Two From Truckee Injured In Mishap

Two young Truckee people, Ray E. Brown, 18, and Rosalie Kaspian, 17, were injured when the truck driven by Brown was struck head-on by a station wagon operated by Dale Trimmer, 36, Vista, Nev., three miles west of Reno early Saturday.

Investigating officers said the Trimmer car cut sharply in front of the Brown truck, causing the latter to turn over and badly wrecking both vehicles. Trimmer left the scene and was later apprehended a mile away hitchhiking to Reno.

Frank Dunn, a passenger in the Trimmer car, was also injured in the spectacular mishap.

Brown is the son of Mr. and Mrs. Gale Brown of Truckee and operates a garbage collection business. Miss Kaspian is the daughter of Mr. and Mrs. George Kaspian of Truckee and a student at the high school here.

A police "hold" was placed against Trimmer who is in the Washoe Medical Center. Following treatment, Miss Kaspian was returned to her home here.

CAFES CLOSED FOR ANNUAL DRESS UP

Goodfellow's Coffee Shop was closed this week while painters completed the annual decorating scheme. The work is being done by Floyd Carnell & Son of Tahoe City.

Reg Smart, manager, said that Goodfellow's will reopen Monday and that Smart's at the Truckee Wye will undergo its annual facelifting at the hands of the decorators, being closed all of next week.

TWINS ARE BORN AT TRUCKEE HOSPITAL

Twins were born to Mr. and Mrs. Nicolas de Pinedo of Truckee on March 27 at Tahoe Forest Hospital, with brother Eutor Manuel Gonzales timing his arrival at 3:03 p.m. followed at 3:50 by his younger sister, Jenobiba Gonzales. The boy weighed in at 6 pounds, 6 ounces and the girl was a bouncing 7 pounds, 7 ounces.

Mr. and Mrs. Vincent Allen of Floriston welcomed a daughter, named Joanne on March 30. She was a diminutive 5 pounds, 11 ounces at birth. Dr. Ben King was the attending physician on both occasions.

Lake Gates Closed

TAHOE CITY—All gates into the Truckee River were closed this week and no water was being released from Lake Tahoe where the level was 6228 feet. There were 11 inches of snow on the ground at Tahoe City Monday following the storms Saturday and Sunday which deposited five inches. The temperature has been on the cool side with a high of 40 and a low of 18 during the week.

Meet Tomorrow May Decide 1960 Olympics Future

Senate Committee To Act Tonight On Bill To Provide Fund

The future of the 1960 Winter Olympic games may well be determined at a meeting scheduled for Friday when once again efforts will be made between Mr. and Mrs. Wayne Poulsen, principal Squaw Valley land owners, and representatives of the state, to work out an agreement for use of some 32 acres of the Poulsen land.

A meeting last Thursday and another Monday failed to bring an agreement, resulting in a statement by State Senator Harold T. Johnson that "because we're not making progress some people behind the scenes are wondering if we ever will."

Attorneys for the Poulsens and H. D. Thoreau, executive secretary of the California Olympic Commission were not agreed on restrictions placed on the property proposed to be leased to the state.

Another stumbling block was relative to a sewer disposal plant. Mr. and Mrs. Poulsen offered the state an area east of the site selected by the state as the most adaptable for use and insist that tests be made there to determine whether or not it will suffice. The commission representatives agreed to this providing the Poulsens will permit use of the present designated site if the tests fail to prove the alternate selection adequate.

13-Point Package
The Poulsens presented the commission and Senator Johnson, author of state legislation to make the games possible through state financing, a 13-point package counter proposal, generally acceptable to the state, but providing unacceptable restrictions on a lease arrangement for a ski lift outrun.

The counter proposal of 13 points was presented with a ultimatum that refusal to accept any of the 13 points would cancel out the other points.

Johnson, who arranged both the Monday and Thursday meeting at Sacramento, said another and perhaps final attempt to reach an agreement would be held tomorrow.

Bill To Committee
In the meantime, Senate Bill 1774, making an additional \$2,990,000 available for facilities for the games and giving the state commission right of eminent domain, will be heard by Senator Johnson's committee tonight at 8 p.m. in the state capitol.

This is the meeting at which it has been proposed by the state commission that those testifying be heard under oath.

While the question of land continues to be a major factor in the program, members of the Organizing Committee, under the direction of Prentiss C. Hale, are anxiously watching the calendar as time passes and preparations for installing facilities are at a virtual standstill.

Work Delayed
It had been the desire of the committee to have preliminary work at least started by June to assure completion by 1959. The land discussions are definitely holding up plans and unless they are settled satisfactorily within a short time there is a possibility that the International Committee will insist that California give up its rights.

Alan Bartholemey, executive director of the Organizing Committee, has been in the Tahoe-Squaw Valley area this week in preparation for the North American Ski Championships to be held Saturday and Sunday at Squaw Valley as a test of the area. These events are sponsored by the Squaw Valley-Lake Tahoe Ski Club with financial support from the state.

School Conference Will Be Held Next Monday

In the interest of the parent, teacher and student, the faculty of Tahoe-Truckee high school invites all parents to be at the school April 8 at 8 p.m.

Through these conferences, parents and teachers will be able to clarify any questions they may have concerning the educational development of their son or daughter. It is a cooperative venture. This conference is an invitation to all to work with the school in the development to the highest degree of the child's abilities and interests.

HUGE MACKINAW IS CAUGHT IN DONNER

Interest in fishing at Donner Lake was heightened Wednesday when Jack Waggoner, president of the Truckee Outdoor Sportsmen landed one of the biggest trout ever caught there.

The big beauty, which started a "rush" on the lake by fishermen, was a 28-pound mackinaw.

At Donner—

Mr. and Mrs. Henry Strelow have returned to Donner Lake from Inglewood where they spent the winter.

Explanation Given For Confusion In New License Plan

By Edwin S. Capps
SACRAMENTO — (CNS) Trout fishermen shouldn't be too hasty in accepting the conclusion they'll have to buy a \$2 trout stamp for the 1958 fishing season. However, with all things considered, they might be well off to pay it.

The bill calling for the \$2 appendage to fishing licenses for trout, come 1958, already has cleared two assembly committees. Thus far it has met little or not opposition.

However, as pointed out, one reason the measure (AB2627 by Thomas M. Erwin, Puente) has met no trouble was that the representative of organized sportsmen became temporarily mixed up as to his views on the subject. Even though directors of the 114,041-member California Wildlife Federation voted in opposition to a trout stamp bill such as Erwin's, their lobbyist, George Difani, supported the bill before committee. It didn't take organized sportsmen too long to ask George for an accounting. They're getting it now in the form of a lot of behind-the-scenes scurrying. Proposed amendments to exclude counties or areas from terms of the bill are as easy to find as catchable trout themselves, just after a fish and game

truck has dumped a few thousand off a bridge.

In addition to Difani's somewhat tardy efforts, there's another force working diligently, the department of fish and game. The department has maintained a passive opposition to the trout stamp for two reasons. The first is that a trout stamp with any type of limitation might be difficult to enforce. The second and more important reason is that the department has its own idea on how to raise more money for its deficit-ridden treasury.

The trout stamp would raise about \$1,400,000. A companion bill boosting pheasant tags to \$2, which already has cleared the assembly, would mean another \$220,000 for a total of just over \$1,600,000. The deficit in the proposed 1957-58 department budget is about \$1,250.

The department, on the other hand, has proposed an across-the-board license increase — hunting and fishing licenses up from \$3 to \$5, deer and pheasant tags up from \$1 to \$2—for a total increase of some \$4,600,000. Little wonder the department is not lending its support to Erwin's financing program.

Little wonder also that the department, in its normal tactless way, has let it be known that any trout stamp bill other than a statewide one would be unworkable. Even if Erwin, as he has threatened to do, limits the measure to the nine southern counties, the department has an answer. It has indicated it would curtail its trout stocking operation in the balance of the state, even though trout

The King Who Dethroned Van Doren

Baudouin of Belgium (left) is a name that eluded America's television quiz show champion Charles Van Doren and so broke his 14-week winning streak. But chances are Van Doren will get to meet the popular 27-year old monarch who unintentionally stopped the Columbia instructor at a royal \$129,000 in prize money. An invitation to visit Belgium has already been extended by the Belgian Tourist Bureau.

If he goes, Van Doren will find the fifth Belgian king and he have much in common. Both are bachelors, scholars and music lovers. In addition Baudouin, first monarch to bear this essentially Belgian name, the eldest son of King Leopold and the late Queen Astrid, knows the United States intimately.

He visited this country in 1949, two years before he was crowned, for an extensive study tour during which he made many friends both for himself and for Belgium which is the third largest sup-

plier of foreign products for the United States.

For example, near Pittsburgh, Baudouin spent an entire shift at the bottom of a coal shaft talking with miners, because industrial Belgium, like the United States, depends heavily on coal. At Oak Ridge, he had a chance to compare United States and Belgian atomic progress. This small country of some 8 and half million people has taken the lead in exploiting nuclear energy for power in Western Europe.

But perhaps Van Doren is not to be blamed too much for missing Baudouin among five kings he was asked to name. Just after Baudouin's visit to Annapolis, a future naval officer referred to him as "Baldwin," saying, "he's an awful nice guy." And what if the question had been, "What are Baudouin's other names?" Then groans would really have been heard from here to Brussels!

For future quiz contestants they are: Leopold, Albert, Charles, Axel, Marie and Gustave!

PLACER ENDORSES FOUR BILLS TO AID THIS REGION

The Placer County Board of Supervisors last week endorsed four bills now before the legislature affecting the Truckee and Lake Tahoe area.

They included SB 1775 which would appropriate \$2,990,000 in additional funds for the 1960 Winter Olympics.

SB 523-524 appropriating \$2,000,000 for a new state highway across Bliss and Emerald Bay State Parks, the site to be selected by the highway commission.

SB 1151 appropriating additional snow removal work and to allow counties funds for damage to county roads sustained from floods and storms.

SB 2265 appropriating \$200,000 from the beaches and parks funds for a permanent museum at Donner State Park to be operated by the state parks commissions.

A request of the county chamber that their board endorse SB 1074 (Johnson) was shelved since that bill had been introduced at the request of the supervisors who had already given its full endorsement. SB 1074 would incorporate the Auburn-Foresthill road and the Kings Beach-Truckee cut-off into the state highway system. They are now county roads.

stocking on a state-wide basis currently is being carried on from license revenues.

Erwin has embarked on the trout stamp-pheasant tag program because he felt that's all the legislature could stomach. He felt they would go along with balancing the budget but would refuse to give the department carte blanche on some \$3,000,000 a year. For, even though the legislature, sportsmen and department of finance have directed it to do so, the F-G experts have refused to come up with a concrete program for spending the new money.

LOCAL ECONOMY IS HELD IMPORTANT IN WATER COMPACT

GARDNERVILLE, Nev. — Any interstate compact between Nevada and California concerning water requirements and plans for development of local water resources must be based on the principle that the existing economy must be preserved, it was stated by Harvey Banks, California director of water resources.

Banks addressed a joint meeting of the Carson Valley, Smith Valley, Mono County, East Walker and Alpine Soil Conservation Districts, discussing matters before the interstate compact commission of the states of California and Nevada.

"One of the most important segments of this local economy is the recreation industry," he declared.

He pointed out that water requirements for this industry include preservation of fish and wildlife, domestic use for summer homes, cabins, camping areas, resorts, etc., and preservation of other tourist attractions.

"These requirements must be given serious consideration in any water development plans devised for any part of the Walker, Carson or Truckee river watersheds," he said.

Banks reviewed the programs the interstate compact commissions have met in attempting to negotiate a settlement of present and possible future controversies between California and Nevada resulting from interstate use of waters of Lake Tahoe and the Truckee, Carson and Walker rivers.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Bay Road Open

Drove down Saturday morning to see if the Emerald Bay road was really open and it really was! Foreman Charlie Neilsen and Howard Carnell had just pushed through and were talking with state men from the south end. The road seemed to be in pretty good condition. There is just a short stretch of no-surface dirt road. We were glad to meet several cars going south as we returned. Be a shame if no one used the road after all that work! Snow covers the slide, of course, so its contours look soft and pretty. Too bad snow cannot remain just in that spot for the summer!

More Broken Legs

Even though it is not funny we cannot help chuckling a little bit

over the rash of copy-cutting as far as broken limbs is concerned which has been going on these past weeks. Mrs. Iva Bean is chuckling at herself, too. Her daughter, Geri, broke three ankle bones some time ago while skiing at Granlibakken. Mrs. Bean broke one of those same bones while at work in Modesto. She too is now in a cast, and since she could not work, has come up to limp with Geri.

Talks At Meet

Mrs. Marie Henry gave a most interesting report on civil defense at PTA Thursday afternoon. Emphasis has changed from attempts at evacuation in case of disaster to staying put, even if at work or at school, and knowing what to do to minimize as much as possible the effects of disaster. Mrs. Henry gave out several pamphlets from the county office.

Dinner Planned

Do not forget the dinner at the school this Wednesday night, April 10. Tickets may be bought that night. One dollar for adults and 50c for children. A good menu is promised and there should not be

too long a waiting line because serving will be stepped up, according to Chairman Ora Day.

Enjoy Dinner

It was certainly skiing weather for the Ski Club meet at Squaw Sunday. Results of the race are elsewhere in the Sierra Sun but I cannot help speaking of the pleasure the youngsters and their parents took in the dinner at the Tahoe Inn after the race. Tired as the participants must have been they cheered all winners and losers and everybody unflinchingly. Results were tallied so quickly that trophies were ready to be given out before dinner was finished. Much credit should go to the committee and Blanche Donaldson and Dinty and Robbie Moore and all who worked to make everything go so smoothly.

Return Here

Linc and Peg E. Dempsey have a new station wagon. It is beautiful and Peg E. says she "thinks" she will enjoy it after she gets used to it. Robert Wray has a beautiful new sleek station wagon, too. The family has returned home to stay

after their long visit in Modesto and the bay area. Wray is opening a new store and office here in Tahoe City where he represents Home-lite chain saws and power tools.

Visits Lake

George Andrews of Sacramento came up Sunday to check on his little house in the woods of Tahoma. He reports that his wife and two sons are fine. Mike, the new baby, was born last fall while George was up here on a hunting trip.

Back From Bay Area

Vi and Bob Pomin are returned from a pleasure trip to the bay area and Pittsburgh, where they took in some golf.

Badly Injured

Sandra Snyder had a serious accident at the Tahoe Inn Saturday night. She caught a glass swinging door with her left hand thrusting it through the glass. Her hand and arm are badly cut. The tendon of the forefinger was cut through. Twenty stitches were given in an hour and a half of surgery. It could have been worse but we are sorry it happened at all.

Father Dies

Mabel Neilsen's father died unexpectedly Sunday morning at his home in San Luis Obispo. The family left Monday to attend the funeral Tuesday. They will return at the end of this week.

Easter Program

Plans are underway for an Easter program of music by all the children of the Community Sunday School, according to Mrs. Evie Waters, superintendent. It is not too late to come to join in the singing and of course, everyone will be most welcome to attend that Sunday at well as any Sunday.

Fun With Car

Rotary President Steve Korich also has a new car, a Renault. It says "Dauphine" on the right in the same kind of lettering as "Renault" on the left. Could that be a French version of "his and hers"? Anyway, Steve's good Rotary brothers connived and kept Steve busy in the bar Tuesday night before Rotary got underway. While he was kept occupied other

good friends carried the petite automobile up the inn steps, through the lobby, and into the dining room door, as far as it would go. Cautiously, Steve descended all ownership of the car, but witnesses were too many and finally he admitted (with justifiable pride) that it was his. He said he had bought it only as his duty as a good Rotarian to further international understanding and goodwill. All this time, unknown to all, Robert Luc, French consulate from San Francisco, was in the dining room enjoying the fun over his native make car. Luc was called upon for a few words and spoke warmly of Tahoe and the whole skiing area. This was his second visit to the lake and to Squaw Valley where he had found a French ski instructor and hoped to improve his skiing. Twenty-five members were present and no visitors.

Babies Home

Howard and Myrtle Carnell are bringing two little children home from the hospital this week. Their new baby son, Howard Lawrence, born prematurely March 11, has progressed so well that he now weighs over five pounds and no longer needs the special care of hospitalization. Michelle, aged two, was hospitalized with pneumonia last week but is well enough to be home now. It has been an anxious period for the Carnells. Beulah and Mazie Carnell went over the apartment while the parents were gone and also got them a new refrigerator to replace a broken one.

STATE CHAMBER IS BEHIND SQUAW BILL

The Sacramento Valley Council of the State Chamber of Commerce supports a bill by State Senator Harold T. Johnson which seeks additional funds for the 1960 Winter Olympic games at Squaw Valley. The council last week adopted a resolution favoring the measure at its annual spring meeting in Sacramento.

Johnson advised the council that he felt sure an early agreement would be reached between the California Olympic Commission and Squaw Valley property owners over land usage.

The Russian River was so named because of an early settlement of Russian seal hunters in its lower reaches.

Summer Nears

Summer is so definitely just around the corner with all its problems of extra people, with their extra care and their extra sense of carelessness which could result in carelessness. The proposed Lake Tahoe Safety Council may well be able to accomplish real help in this realm. Its first meeting will be held April 11 at the Tahoe Inn at 7 p.m. Reservations may be made by calling TC 246-J.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY
Kindergarten: We now have some finished products in our boy's woodwork class. Jack Mitchell built a bird feeder. Craig Swauger and Monte Neugebauer made garden benches. Jonathan McLane and David Goldsmith made doll beds for their small sisters. Bruce Lea-

mon made a wall shelf for figurines and Donald Schuler built a corral for his toy animals.

First Grade: We have a new student, Stephen Keith, in our room. Stephen attended school in Reno before moving to Floriston.

Gary Albin and Michelle Harris are absent due to the chickenpox. This week we have been drilling on the addition and subtraction facts of the number eight. Those having perfect papers were: Susan Schuler, Bill Cardinal, Raul Hernandez, Bill Rose, Chris Kumble, Henry Frates, Michael Davis and Judy Ingalls.

Bill Cardinal and Bill Rose drew very good pictures on the life cycle of a plant.

First Grade: We have a new boy, John Gholson, in our class. He comes to Truckee from Texas and has many things to tell the class.

We have been making phonics books. Randee Reese, Bruce Fitzsimmons, Michael Kydd, Marion Ayala and Kenny Brethauer are among those doing good work.

Rosa Pinedo was again winner in our arithmetic combinations test.

Second Grade: Those having paintings displayed on the bulletin board for art are: Susie Olano, Gail Englehart, John Collier, Bruce King, Gary Waters, Sandy Miller, Daryl Ingalls, Frances Barrett, Victoria Tornstrand, Raymond Fitzsimmons.

Our health chart inspectors this week were Cathy Braley, Karen Hedlund, Jack Melugin and Bill Waters.

We are glad to have Len Vind, Raymond Fitzsimmons, Gary Kelm and Wayne Mosby back with us again.

Third Grade: Third graders planned a program for their parents Friday. Original papers were read by Anne Morey, Diana Pankoke, Kristin Meixner, Steve Van Sickle, Wanda Pierce, Candy Hamilton, Clydene Strickler, Dawn Maynard, Claudia Ayala, Ricky Ralphs, Walter Dallas, Sherry Borden, Charles Trainor, Betty Saarni and Debbie Ellis. A dance was given by Monty Straub, Eileen Olson, Lenny Tudor and Karen Walker.

Announcers were: John Sturcke and Dennis Stevens. John Goldsmith was in charge of the curtain. The map was colored by Kathleen Kenyon, William Perry, and Larry Digesti and John Besio.

Fourth Grade: Fourth graders receiving an "outstanding" for their fine school work were Linda Banyard, Claudia Jean Boyer, Tony Kenyon, Marcia Leamon, Judy McGinn, David Sorani, Eddie King, Wade Mosby and Eric Tornstrand.

During the last report period, perfect attendance was accomplished by Mike Harris, Jimmy Roth, David Sorani, Nancy Barth and Judy McGinn.

Having returned from an "Indian Hunting Party" Greg York, Jimmy Roth, Garry Truckee and "Squaw Always Talking" Sorani deserve praise for the fine skit they prepared for Cub Scouts.

The routine lunch assignment for the week was in the hands of Marcia Leamon, Judy McGinn and Linda Banyard.

Peggy Berger, David Fordham and Donna Haune performed very well in leading the group singing.

Fifth Grade: Report cards were received Monday.

Class election was held Wednesday. Ronald Brown defeated Richard Sorani, who has served the class so well as president for the last two quarters.

Leilani Braasch was elected vice president and Susanna Sciutto secretary.

Those making a perfect score in spelling this week were Zee Romo, Leonard Hensley, Susanna Sciutto, Leilani Braasch, Maureen Reese, Ronald Brown, James Hamilton, Robert Frates, Karey Kielhofer, Richard Sorani, Bruce Strickler, Bonnie Fair and Dianne Cardinal.

Sixth Grade: The sixth grade has started the study of Argentina, Uruguay and Paraguay, which are called the Silver River countries of South America.

We are going to have a dance April 12. The fifth grade will be our guests.

The pupils who received 110 percent in the spelling test are: Virginia Barnes, Sheryl Swauger, Kathy Curran, Pat Saarni, Shirley Patton, Dennis Whiteneck, Ellen Patnoud, Mike Kenyon, Pam Rose, April Lander and Janice Roth.

TAHOE LAKE SCHOOL
Kindergarten and First Grade: George Speeter and Ruth Ann Dunn won the prizes for keeping their pencils the best for the month of March.

First adn Secod Grade: This week we had a science lesson about the coming of spring to our Lake Tahoe region.

All of the first grade children made star papers on their word sounds this week.

Third and Fourth Grades: The fourth grade has shared the construction of animals with the fifth and sixth grade.

The third grade is preparing a background for the open house musical which will be based on an oriental theme. The children investigated the arts and the language as well as the music tempo. Lance Poulsen brought a beautiful Chinese lantern and a delicate glass wind chime to hang on display in the classroom. Donald Stowe is already delving into the history of China.

Fifth and Sixth Grades: The following students received superior grades in a review unit in spelling covering eight lessons: Sandy Fellows, Suzanne Sprague, Mike Wright, Steve Yeager, Elaine Bramlett, Sandra Riggs and Karla Kiser.

KINGS BEACH SCHOOL

Kindergarten and First Grade: We were very sorry to hear that Cindy Plunkett contracted pneumonia and has been at the Tahoe Forest Hospital.

Jay Bisio is in Sacramento with an infection of the upper respiratory tract.

Pat Cinani and Kathy Critchley brought books to share with the class.

Gregory Miller brought graham crackers for the children to have with mid-morning milk.

Georgia Burris brought a treat of caramel suckers for the entire class.

Gregory Pope celebrated his seventh birthday last weekend. Ann Felte showed the class the penant from the San Diego zoo.

Second and Third Grades: Since our class is studying about Mexico we have invited Mrs. Louisa Antillon to come to school and talk to us about Mexico.

During art period we made a bright spring border. Susan Clackett and Cindy Hiatt helped put it up.

Darryl Lausche brought his set of foreign flags for us to use in making our own set.

Bruce Draney gave an oral book report on "The Copycat Colt."

Beverly Bergman brought a large map of Mexico for us to use in our study.

Chris Althof told of an exciting experience about his trip to Sutter's Fort.

The following children received

Letter to the Editor

Dear Editor:

In memory of our poor old dog, Skipper. We wish to ask the people of this region to think of other people.

There are people letting their dogs run that kill other people's pets. Yes, people tell them what their dogs are doing. Yet they let their dogs run knowing this. Why? We love our pets as you do. Why can't you see this and be kind to your neighbors as you want them to be to you.

Ours is a great loss because Skipper had been with us 12 years and had never harmed a soul. Yes, he was old but he should never have died as he did—pulled apart.

As a dog finds he can kill his next victim may be a small child. There is no replacing a child or a pet.

We hope you will be helped by my plea. Please do your part here and now to protect your neighbor from the grief we suffer this day.

I write to you because others have lost their pets in the same

100 percent in their spelling test Friday: Gale Graton, Cathy Chastain, Cheryl Smith, Susan Clackett, Cindy Hiatt, David Hughes, Carol Lee Corbin, Martha DeGregorio, Sharon Birch, Vern Wing, Bruce Templeton, Darryl Lausche and Paula Martin.

Rondi Thorwaldsen brought her seashell collection to share with us.

Third and Fourth Grades: Vickie Russell brought to school a crow-dad.

Amy Arndt returned from having the chickenpox.

Phil Thompson was ill two days with a cold.

Raymond Hill is putting the roof on the adobe mission.

Fifth and Sixth Grades: Arriving this week at school were two new students. One is Larry Free who returns to us each spring while his father gets his motel in condition for the summer. The other is Kenneth Plemonds, a brand new arrival from Alameda. We hope that they will stay for a long time.

way, just this spring. May you see the problem and do all you can.

Thank you,
BILLIE EATON.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Tahoe-Truckee Unified School District, Counties of Placer and Nevada, State of California, herein-after referred to as the Owner, will receive up to but not later than 8:00 P. M. on the 26th Day of April, 1957, sealed bids for the award of a Contract or Contracts for construction of an Addition to the Kings Beach School, Kings Beach, Placer County, California. Such bids shall be received at the Office of the Superintendent, Tahoe-Truckee High School, U. S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

	HOURLY WAGE RATE	PER DIEM RATE	HOLIDAYS & OVERTIME
CRAFT			
Boilermakers	\$3.275	\$26.20	\$6.55
Bricklayers	3.75	30.00	7.50
Carpenters	3.25	26.00	**
Electricians	3.50	28.00	7.00
Glaziers	2.885	23.08	***
Iron Workers—Reinforcing	3.15	25.20	6.30
Iron Workers—Structural	3.40	27.20	6.80
Laborers—General	2.325	18.60	****
Painters & Decorators—Brush	3.00	24.00	6.00
Plasterers	3.675	29.40	7.35
Plumbers	4.25	34.00	8.50
Roofers	3.00	24.00	***
Sheet Metal Workers	3.30	26.40	6.60
Tile Setters	3.375	27.00	6.75

OVERTIME: Any additional time worked after the regular work day, Saturdays, Sundays and Holidays shall be considered overtime and paid for at double the straight time rate unless otherwise specified herein.

** For the first four hours after the regular work day, overtime shall be time and one-half. All additional time worked up to 8:00 A. M. and on Saturday, Sunday and holidays shall be double time.

*** For the first four hours after the regular work day and Saturday morning, overtime shall be paid for at the rate of time and one-half. All other time worked shall be at double time.

**** Any additional time worked after the first eight hours of regular work day and Saturday shall be paid for at the rate of time and one-half. Sunday and holidays shall be double time.

Each bid must conform to the requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Architect, GORDON STAFFORD, 1024 1/2 J Street, Sacramento, California, upon the deposit of \$25.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the Bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the owner.

The Owner reserves the right to reject any and all bids and/or waive any irregularities or informalities in the bidding.

Dated this 29th Day of March, 1957.

TAHOE POSTSCRIPTS

By SWANEE
(Telephone T.C. 316-W)

Visitors at Jeannette Mitchell's home on Thursday evening were Supervisors Andy Anderson of Forest Hill and Frank Paoli of Col-

fax. They had been present at the meeting held at the Wagon Wheel at South Tahoe attended by supervisors of El Dorado County and other prominent officials of various local counties, at which Joseph McDonald, chairman of the Nevada-California Lake Tahoe Association, was the principal speaker. Fred Schultz, president of the Lake Tahoe-Sierra Chamber of Commerce was also in attendance. Supervisors Anderson and Paoli are interested in the attempts of McDonald's new organization to coordinate efforts of civic groups to bring better conditions to the Lake Tahoe area but confess that they are powerless at the present time to deal with counties outside of California without specific legislation by this state to make such action legal. Five counties are included in the area to be served by McDonald's organization—El Dorado, Placer, Washoe, Douglas and Ormsby.

The only definite project so far proposed is a comprehensive survey of the lake areas included in the five counties, 50 percent of the cost of which would be sought from the U. S. Government, 25 percent to be borne by the counties and 25 percent by the Nevada-California Lake Tahoe Association.

Mr. and Mrs. A. M. Henry recently visited at the home of Mr. and Mrs. Jack Stranathan near Auburn where Mrs. Stranathan's father, Carl Wheat, former resident of Tahoe City for many years, is recuperating. He was operated on in a Sacramento hospital some weeks ago and is slowly regaining his health and strength.

Fred Daft departed on Saturday evening for Columbus, Ohio, following a visit of several months at the home of his son and family, the Frank Dafts, in Pineland.

George and Bobbie Holt of Saronis in Sunnyside were overjoyed on March 22 to learn of the arrival of a second little daughter in St. Joseph's Hospital in Stockton to their son, Freddie and wife, Mickey. The young lady weighed in at six pounds 15½ ounces, and has been named Kathy Renee. Her little sister, Lynn, will be two next November. Both mother and baby were reported doing nicely.

Mrs. Charles Trapp, somewhat

STRICTLY STRICKLAND

By Bill Strickland

Had quite a pleasant surprise during the week. Friend of mine that I worked with in Yosemite for several years, now lives in Sunnyvale. Imagine my surprise to see Bill Carrio come ambling up the walk with Rader while I was a guest of Rader and his wife. Turned out that Bill and his wife owned a home around the corner. Rader, while walking his dog, stopped to pass the time of day with Bill, who was in the process of mowing his lawn. Commented that it was the first time he'd mowed a lawn since before he'd moved to the Mountain. Naturally, Rader said, "What Mountain?" Bill Carrio then says, "Why Donner Summit, of course, what else?" So, then Rader says, "Do you know the Stricklands?" Bill says, "Certainly," Rader says, "Come on over then and say hello to Bill—he's at my house now." Anyway, it was a very pleasant surprise. I passed on as much news as I could think of, and he, in turn, asked to be remembered to all of his many friends on Highway 40—so, hello to all of you from Bill Carrio, his wife and kids.

Ronnie Rau and Dennis Hogan are in Sun Valley this week practicing for the American Legion ski meet to be held Friday, Saturday and Sunday, April 5, 6 and 7. They, along with Dick Miller, Do Murphy and Gary McCoy from Mammoth Mountain, and Kit Schull from Squaw-Tahoe will carry California's team colors. Their placements in the junior nationals of 1st, 2nd, 8th, 16th and 19th bodes well for California chances of coming out on top. The top four boys and three girls of the 11 western states will be competing, and though it isn't as big as the junior nationals, it will be a mighty big win for the youngsters who prevail. Laurie Wakeman, Starr Walton and Smiley Tschopp will be the girl contenders. You'll have to go a long way to find a better all-around team of juniors.

AUXILIARY OF VFW NAMES OFFICERS AT TAHOE MEET

CRYSTAL BAY—Mrs. Pearl Moore was elected president of the Ladies Auxiliary of the Lake Tahoe Veterans of Foreign Wars at a special meeting held March 26.

Other new officers include Jeannette Cinani, senior vice; Thelma Liddle, junior vice; Bernita Jones, treasurer; Joan Mally, chaplain; Minnie Wagner, conductress; Ruby Clackett, guard; Vera Wood, trustee.

Appointive officers are Virginia Kornazovich, Mae Springer, Ikey LaBorde, Edith Mullis, Flo Klett, Beverly Newell and Ethel Antonson.

All officers will be installed April 14 with Virginia Gionatti, and Mary Dunklee of Nevada as installing officers. Hostess at the special meeting was Barbara Bergman and refreshments were served by Wanda Brooks, Ruby Clackett and Betty Powell.

BOY SCOUT TROOPS PREPARE BOOTHS

The Truckee and Lake Tahoe troops of Boy Scouts have reserved space for booths at the Scout-O-Rama, scheduled for April 26 and 27 at Auburn by the Tahoe Area Council, Boy Scouts of America.

Truckee Troop, No. 7, has reserved a booth for "Snow Sports" while the Tahoe City Troop, No. 27, will display "Astronomy" in their booths.

More than 45 units have registered for booth space at the fair grounds in Auburn. It is estimated by the chairman, Gordon Ashbee, that more than 1500 Scouts will participate in the big outdoor show Saturday night, April 27.

Tickets for the show are being sold here by Boy Scouts and Cub Scouts.

70 YOUNGSTERS IN SKI TOURNAMENT AT SQUAW VALLEY

SQUAW VALLEY—An all-day meet here Sunday hosted by the Tahoe-Squaw Valley Ski Club brought out a field of some 70 youngsters. Most of the visitors were from Reno Ski Club but the Redhornet and Peddlars Bill Clubs were represented. Weather conditions made judging difficult but the day was adjudged a success by all.

Participants in the races and their parents attended a dinner at the Tahoe Inn in Tahoe City after the races where trophies and ribbons were awarded.

Winners in the various classes are as follows:

Novice: J. Jeffress from Reno; Jim Bechdolt, Tahoe and Bro Shontz.

Juniors: Greg Moore, Tahoe; Steve Parish, Reno and Lance Poulsen, Tahoe.

Intermediates: Graig Holiday, Reno; Mike Madison, Reno and Dan McCarty, Reno.

Senior Boys: Jim Huega, Tahoe; Ni Orsio, Redhornets and Trent Giannini, Tahoe.

Novice Girls: Dianne McBride, Tahoe; Barbara Neilsen, Tahoe.

Junior Girls: Sally Flynn, Reno; Alexandra Cushing, Tahoe and Vickie Jones, Tahoe.

Intermediate Girls: Cindy Codding, Reno; Pamela Clark, Tahoe and Patsy Cook, Tahoe.

Senior Girls: C. Hart, Reno; Lily Cushing, Tahoe and Joan Pomin, Tahoe.

STEVE PORT, JR. IS READY FOR U.S. SHIP

NORFOLK, Va. — Stephen F. Port, Jr., teleman 2nd class, son of Mr. and Mrs. Stephen F. Port, Sr., of Kings Beach, is now at the U. S. Naval Receiving Station at Norfolk, Va., awaiting transfer to the USS Northampton, CLC-1.

The Norfolk Naval Receiving Station, commanded by Captain

Warner Replaces Fraser As Fisheries Manager

George H. Warner, fisheries manager, attached to department of fish and game headquarters in Sacramento, has been promoted to fisheries manager of the department's region II.

Warner replaces Jack Fraser who was recently named state water projects coordinator for the department. Region II Manager Robert Montgomery said Warner will take up his new duties April 15 at the regional office, 1001 Jeddsmith Drive, Sacramento.

Warner began his fish and game career as an assistant warden with the bureau of patrol, division of fish and game, in January 1941.

The steelhead is a true rainbow trout, spawned in fresh water and reared in the ocean.

improved in health, enjoyed the weekend at Tahoe with her husband. She returned to Sacramento on Sunday and will undergo further medical treatment during the week.

Mrs. Frank Daft returned to Tahoe on Thursday following a four-day visit in Sacramento where she attended telephone school for four days.

Step into a new world of Pure Luxury

ROADMASTER 75

Custom Built by Buick NOW ON DISPLAY

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced.

You will see what we mean the first time you glimpse the interior.

The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent.

The seats, for example.

They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft.

The doors present a new standard of luxury and restfulness—fully uphol-

stered and softly cushioned from floor line to window.

The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car.

The complete interior is matched by the mechanical excellence that is ROADMASTER tradition.

Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes—newest and the finest in the fine-car field.

Your Buick dealer is ready to show you this magnificent new automobile. See him this week.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Building

The Richard Ruminos of Willows are having a nice home built, or rather will be in the process any day. It will cost in the neighborhood of \$30,000 and is west of the old golf clubhouse on the highway

opposite the golf course. It will be built by Jack H. Faris of Kings Beach.

Bought

Michael H. Briscoe who is with the telephone company, has bought a home on Brassie avenue on the golf courses, from Frank and Elgin Huck. Mike takes care of the local repairs, etc. Glad to have them here.

Touching Up

Bud Polzin and Jack Faris did their good deed last week by going around repairing and bolstering the signs around the countryside that were put up by the Businessmen's Association, advertising and directing people to Lake Tahoe. These have proven their worth over and over again. Thanks Bud and Jack.

Snow

Yes, it's a bright Saturday morning. Yesterday we had our usual light Friday snowstorm, about two inches in this area, and enough, I understand, to augment the covering of snow at Squaw Valley, where there is to be lots of activity this coming weekend.

Returned

Saw Dr. Sklar, who had just returned from Lauderdale, Fla., where he attended important meetings of the medical profession. He had a wonderful trip and looks all sun tanned as though he had been there a year. I spied a brand new car that the doctor's nurse, Audrey Welch, has purchased, and it's a beauty.

Open Soon

All along the line one can see lots of activity. I see James V. Surgi has taken the shutters off the windows of the Su-Mar Market in Carnelian Bay.

Changes

There will be new management at the Mobile station in Kings Beach. Walt Bailey, as you now know, is at his new shop at the top of Bear street, where repairs, painting and bodywork will be done.

Down To Business

A couple of weeks ago Earl Gray and his good wife came up to look the situation over and everything looked so wonderful that when they got back to Oakland things didn't look the same. They turned right around and came back to their home and real estate business. It sure is nice to have them for the summer.

Quite Sick

Of all things, Benita (Mrs. Wiley) Jones of Kings Beach and Crystal Bay entered St. Mary's Hospital last Monday afternoon and was operated upon Tuesday morning.

What Do People Need To Hear?

By Msgr. John S. Kennedy, Editor of HARTFORD TRANSCRIPT

WHEN I WAS younger I saints into this rosy frame decorated with dollar signs. So many of them were despoiled and mistreated and suffered willingly for Christ. Their concern, like Christ's, was with sin and repentance. The first had to be conquered, the second fostered. To this they devoted their lives. But as true Christians, the saints were not gloomy, defeatist specimens. The wellspring of their being was the love of God. With Him they were at peace, at one, doing His will. Hence, in them the true Christian life flourished.

Kennedy

THE LAWS of the true Christian life differ radically from those of worldly living. The true spiritual life is costly and embraces much more than the success and good-feeling which the peace-of-mind people seem to have for their chief goal.

No genuine peace of mind is possible until one sees reality whole and accepts it. Sovereign in reality is man's relationship to God. That must be recognized as it is—as God has arranged it.

THE WHOLE OF REALITY includes the fact of sin, original and actual, the offense sin gives God, the injury it does man, the requisite means of getting rid of it and doing penance for it. Without this element, the search for peace of mind is bound to be fruitless. It would be tragic to mistake such superficialities and sophistries for eternal wisdom.

THIS NEW RELIGION represents God as a big pal. Give Him a little break and He'll see that you break the bank of happiness, health, good looks, success, wealth. Be decent, cheery and constructive and you can't miss the celestial bonanza of material prizes.

Certainly the crucified Christ has no place in such religion, the Christ of the scourging, the Christ of the mob's rejection, the Christ of the awful cry, "My God, My God, why hast Thou forsaken me?"

YOU CAN'T FIT the great

Wiley thinks she will be there for a week or more before returning to her home in Kings Beach, and will be recuperating for a few weeks. We wish Bernita an extra speedy recovery and good health thereafter.

Just A Twist, A Broken Wrist

Jim Walker who has been with Walt Bailey for quite a while was helping Walt to get his new shop opened up and got up on a box to do some painting, fell and broke his wrist in a couple of places.

Cubs And Scouts

Cub Scouts, Cub Pack 31 of Kings Beach held their monthly pack meeting last Friday night. Each den had something to offer along the theme of Indians and there were Indians all over the place. Carl Christiansen was inducted into the pack as a bobcat. Vern Wing, Mike Reed, Bruce Templeton, received their wolf badge and David Reed and Ronnie Baker received their bear badge.

And then on Saturday morning Boy Scout Troop 31 with their scoutmaster, Red Waddell, assisted by Skeet Thompson and Bob Howell, went to Nevada City for tree planting over the weekend. Scouts from all over the district met, camped out and planted little trees over a burned area. The following boys left at 5 a.m.: Jim Boatman, Brad Thompson, Bobby Howell, Gary Wing, Bill Holley, Richard Baker, David Decker, Paul Franklin, Kris Fette, Larry Mandeville, Larry Anderson, Barry Anderson and the scoutmaster's son, Art. This was a good deed if ever there was one, congrats to all.

Not Fully Armed

Saw Carl Harried with his arm in a sling and upon investigation found that he and Mrs. Harried took a trip east and while there slipped on the ice and just about pulled his arm out of its socket. He was about a whole day before he got attention which didn't help any. He figures it will be another three months before it is fully healed. Hope it won't be that long, Carl.

Community Progress

Ludlow's Lodge in beautiful Tahoe Vista will be a real beautiful sight with the gorgeous new swimming pool right on the north side of the highway between the long row of beautiful cabins. It will be a deluxe pool and can be used during the winter or summer. There will, of course, be a cement walk around the pool which will be surrounded by a lawn, and visible from the highway. At the moment trees have been removed and excavation has already started. This is something that will be a definite credit to the community, and we say congratulations to Larry and Peg.

March Gets The Boot

Sunday morning, 9 a.m., snowing very lightly, temperature 33 degrees, quite natural for the last day of March. All in all it has been a good month, not too much of the March winds.

Officers Named

The V.F.W. Post 7077 of Crystal Bay met recently for election of officers. Admiral John S. Crenshaw was elected commander. Other officers were not immediately available. The installation of officers will take place on April 14.

Wrong Way Corrigan

Except that its Porath; yes, Roy has a pretty much battered car, and all because he insisted upon driving the wrong way on a one-way street in Reno. Luckily no one was hurt and he was able to proceed home on his own power.

Skiing

A couple of weeks ago my little girl friend, Martha DeGregorio, won a bronze medal during the school games. I didn't notice it in

TNT Tidings

By JUDE COMMAGERE

Mr. Roy Baker and all TNTers would like to express their sincere appreciation to Mrs. Sid Gilmore for her generous donation of 87 books to our library. These books, in excellent condition, range from fiction, non-fiction, scientific, biological, geographic, sea, journalism, and every other type of education book you could mention. Perhaps the most valuable one is "Anybody's Gold." This picture-book is a story of California and a mining town, written by Joseph Henry Jackson. Our library welcomes all contributions of books to increase our literature standing. California maps, pictures, and books of the gold mining days, especially in and around the Tahoe-Truckee area, will be greatly welcomed.

Another Season, Another Reason!

With a glove, mitt, ball, and bat, the following boys are preparing to welcome spring: L. J. Robinson, catcher; Craig Robinson and Cecil Craddock, shortstop and pitcher; Kenny Vaughan, first base; Buzz Trainor, second base; Floyd Cooper and Frank Giovannoni, third base; Dean Holbrook, left field; Dave Rickert, centerfield; Jerry Browne, rightfield; Marty Kumble, Jim Harper, Tom Sheehan, Jim Loydn, John Wood, Gary Holbrook, Richard Trent, Sam Medford, Allan Young, "position working boys." There are nine teams in the league and eight league games will be played. The winner of the northern division plays the winner of the southern division in the best of a two-out of three series for the state championship. Some of their rivals will be Portola, Quincy, Lassen, Hawthorne and Fallon. The third game of the season will be this Saturday, playing Hawthorne at Reno's Idylwild Park at 2 p.m.

We are at a distinct disadvantage and periodically inexperienced. But we do have spirit, and with hard work and team work we should go a long way.

Congratulations baseball players, and good luck.

Tonight and tomorrow have finally come closer. Yes, closer to the big event at TNT. The evening of grand entertainment and comedy of "Girl Crazy." Now don't be late, remember 8 p.m. We know you will enjoy yourselves and extend a hearty greeting to all!

The Yukon River, 2050 miles long, is one of the mightiest of North American rivers.

Early Days At Lake Recalled By Nielsen

By Swanee

March 17 not only marked St. Patrick's Day, but it was the birth-date of one of Tahoe's oldest and most noted former residents.

He is Chris Nielsen, who turned 89 years young at his home at Sparks, where he has resided with his wife, Gertrude, also 89, since selling his home and boathouse to Ralph Sears back in 1945.

In excellent health and spirits, in spite of the advanced years, Chris remembers dates and incidents of the past as though they were only yesterday.

Varied and interesting are the tales he tells of the old days at Tahoe when fishing was permitted commercially and the "big fellows" were an everyday occurrence.

While fishing with M. L. Effinger of Tonopah, Chris caught the largest native (cutthroat) trout ever caught in the lake—a 26-pounder which took 50 minutes to land. It cost Mr. Effinger a round \$600 to have it mounted, with much of the cost incurred in keeping it frozen until it reached the taxidermist. Today the prize beauty hangs on the dining room wall of Chris' home, along with two beautiful paintings of trout done on smooth-edged native bark, the work of writer and artist Edward White, an early day resident of the lake.

It was White who aided Chris along in 1925 to write and circulate a petition to present to the fish and game department of California seeking to discontinue commercial fishing, which was gradually depleting the lake of its supply with each passing year. Not long after commercial fishing was outlawed.

Chris also aided in getting the department to plant fish in the lake and along in 1940 mackinaw were planted in Emerald Bay and 500,000 rainbow were planted at both Glenbrook and at Nielsen's Sunnyside pier.

Chris first came to the lake when he was a young man of 35 and spent 42 years here, having lived for the past 12 years in retirement at his Sparks home. He was one of the best and most successful fishing guides at Tahoe for many years.

One of his favorite memories is of Sir Winston Churchill and his daughter, Mary, who leased the former Major Charles Kendrick home (now Sunnyside Lodge) in 1906 for \$150 a month. They had along a cook and two servants and enjoyed a full summer of fishing and swimming.

His many friends here and elsewhere join in wishing Chris many happy returns of the day and many more birthdays still to come.

**FIRST GIFT IN FUND DRIVE**

California's 1957 Easter Seal girls, LaVerne and LaVone Petker, receive Governor Goodwin J. Knight's contribution to the 1957 campaign for funds to help crippled children. LaVone, 7, accepts the gift, while sister LaVerne stands by ready to present the Governor with the first sheet of 1957 seals. Governor Knight has issued a proclamation urging support of the campaign.

Probe Being Made Of State 'Lottery'

SACRAMENTO (CNS)—The United States post office department was called upon to determine whether or not the state of California, through the department of fish and game, headed by Seth Gordon, is conducting a lottery in violation of postal regulations.

The department mailed cards to applicants who desire to participate in an elk hunt in Colusa and Lake counties.

The cards, on being returned to the department, through the mails, the department admits, are "put in a pot", and the successful names are drawn out of the pot. Thus, the drawn names are privileged to hunt, while those whose names are not drawn lose the \$1 they have paid to have their names go in the pot.

"Anything affected by chance," said Postmaster Kenneth Hamaker, of Sacramento, generally is considered to be a lottery, and postal regulations prohibit use of the mails for lotteries. However, we cannot say definitely that this particular operation is a lottery until we study the material."

Fish and game officials said that California law spells out the method of selecting the elk hunters, and that they are merely following the law. The \$1, they state, is paid to the department not as a "chance" but as payment for the service the department renders in accepting the application.

If postal regulations hold the procedure is a lottery, department officials said they probably could continue by taking applications in local offices.

Senate Bill Would Effect Issuance Of Licenses

SACRAMENTO (CNS)—Under terms of a bill passed 21-17 by the state senate, the state liquor administrator would have the authority to determine whether off-sale licenses could be granted liquor establishments in the vicinity of churches, schools or playgrounds.

The bill, by Senator Earl Desmond, provided controversy in the senate, but the author explained that instead of ruling out such licenses, it would permit consideration of other factors.

He said that in many new sub-

divisions, liquor licenses in close proximity to churches are ruled out because of the present law. The measure does not affect the regulations pertaining to on-sale licenses.

NOTICE

Effective April 1, 1957, I will not be responsible for any bills contracted to the Stevenson's Chevron Station located at Kings Beach, Calif.

(a4-11-18-25) Robert L. Stevenson

CARD OF THANKS

We wish to extend our gratitude and thanks to the Truckee Chapter, No. 116, O.E.S., for honoring us on our 50th wedding anniversary Tuesday evening. Their program was unique and the flowers, gifts and refreshments were greatly appreciated.

Charles and Belle White.

CARD OF THANKS

I am most happy and grateful to convey to my friends my sincere thanks for their very good wishes sent during my illness. Now being in improved health I hope to see many of you in the near future.

George Bettencourt

COMING EVENTS AT SUGAR BOWL LODGE

SUGAR BOWL—Coming events for the month of April have been announced for the Sugar Bowl by Walter Haug, manager. They are:

April 6-7—University of California Ski Club championships and fun races.

April 13-14—National veterans' (senior) downhill, slalom and combined championships.

April 19—Fifth annual Sugar Bowl family race—a giant slalom. Each team to be composed of three members of the same immediate family.

April 20—Sugar Bowl junior championships, sanctioned by the FWSA for Juniors I, II and III. Downhill, slalom and combined.

April 21—Annual Walt Disney perpetual trophy race for youngsters 11 years of age and under.

April 28—Fifteenth annual invitational silver belt.

Also during the week from April 15 to April 19 there will be daily slaloms, eagle races, etc., for everyone.

Returns To Lake—

Mrs. Fern Schlueter who has been traveling during the winter with headquarters at Oakland is expected in Tahoe City this week.

Mrs. Pedley Conducts Safety Work Shop At Meeting Of Federation

Mrs. Fred Pedley left Monday for the four-day Sutter District, California Federation of Women's Clubs, convention in Colusa. One of the features of the convention this year will be the traffic safety workshop being held by Mrs. Pedley, state safety chairman for the California Federation. She will have with her Officer Les Kelly of the state highway patrol, Sacramento, who will give a refresher course at the workshop. Traffic safety is being stressed this year as the chairman's program.

Opening session at 2 p.m. followed in the evening by a "Get Acquainted Supper" and program. Highlights of Wednesday session were the state president's luncheon and address, Mrs. Guy Nelson of Calipatria. Formal banquet and program followed in the evening. In the evening. The business meeting heard the reports of club presidents and panels by district chairman. Mrs. Pedley introduced the club presidents as first vice-president.

SIERRA CLUB WINS SUGAR BOWL MEET

SUGAR BOWL—Sierra Club won the Bill Freitas Memorial trophy race on Mount Disney Saturday defeating the host Oakland Ski Club by 26 seconds in the 900 yard giant slalom.

Nine racers from nine bay area clubs competed for the four-foot trophy, running parallel courses with 20 gates. Each chose his or her competitor and shoved off simultaneously.

The two top men, Jim Nickolas of Sierra and Eric Johnson of Oakland, were pitted against each other. They hit the first gate together and poled down the next two to a hairpin. Bill Klein said Nickolas came out in front.

Chastain Entertains At Tahoe Rotary Meeting

KINGS BEACH—More than 50 Rotarians and their ladies were present at the Rotary Club at Brockway party Monday night. A cocktail hour preceded the serving of dinner and was followed by a hilarious program.

Everyone enjoyed Jimmy Chastain and his guitar and are hoping to have him with us again soon.

President Pappy Brooks presided at the meeting, with Hillard Holmes as program chairman.

Rotarians are asked to keep in mind the district conference to be held in May with the South Tahoe Club acting as host.

DONNER DANCERS AT DISTANT DOINGS

Fourteen members of the Donner dancers traveled to Sacramento and Kings Beach last Saturday night to find additional dancing.

Mr. and Mrs. Joe Straub, Mr. and Mrs. Wilber Glenn, Mr. and Mrs. Lloyd Everett, and Mr. and Mrs. Tom Leavell earned "knot-head pins" as a visiting square at the spring dance of the Associated Square Dancers of Superior California held in Governor's Hall at the state fairgrounds in Sacramento.

Mr. and Mrs. G. E. Lewis, Mr. and Mrs. D. L. McGhon, Kay Baker, and Winnie Maynard joined the Tahoe Twirlers at Kings Beach for potluck supper and an evening of dancing.

The Donner dancers meet tomorrow night at the Veterans Memorial building. Travel stories will undoubtedly be added to the program of square and round dances.

Examinations Called To Fill Clerking Positions

Sgt. Frank Snyder of the California Highway Patrol has received notice from the state personnel board that examinations for intermediate typist clerks and intermediate stenographer clerks will be held April 27 to provide clerks for offices in El Dorado, Nevada and Placer counties.

Those desiring to take the examination may obtain full information at the local office of the patrol. It is pointed out that applicants must have a typing certificate showing they can type 45 words per minute. These certificates, obtainable only after tests which can be arranged by Sergeant Snyder, may be issued after examinations April 19.

Pay for the typist clerk position starts at \$268 per month.

FOOD SALE
CRYSTAL BAY—The Ladies' Auxiliary of the V.F.W. at Lake Tahoe will hold a baked food sale at Stop-N-Shop Market Saturday, April 20. Mrs. Minnie Wagner is the chairman and Virginia Kornazwich and Unadel Crawford will serve as co-chairmen.

His Honor: "My good man, under the American system of jurisprudence you are presumed to be innocent."

Defendant: "Then why all the effort to convict me?"—National Motorist.

Tahoe Safety Meet Set For April 11th

TAHOE CITY—Plans for an organization meeting of a Lake Tahoe Safety Council announced earlier are nearing completion with 16 community organizations having selected representatives for the meeting to be held at the Tahoe Inn Thursday, April 11 at 7 o'clock.

In addition to Earl F. Campbell, director of the California Traffic Safety Foundation, who will attend the meeting to aid in the formation of the council, several other outsiders have agreed to attend and give any help that is needed. They are: Sgt. Frank Snyder of the California Highway Patrol; Blair Geddes, safety coordinator for the division of highways; Fred Durgin, chairman of the Nevada County Traffic Safety Council and organizer of the Placer County Council now being formed; Joseph F. McDonald, president of the Nevada-California Lake Tahoe Association and Mrs. Gladys Pedley, safety chairman for the Northern California Association of Women's Clubs and one of the forces behind a similar safety drive in the Truckee vicinity.

Invited to attend also are: Supervisors L. L. Anderson and Frank Paoli of Placer County; Mrs. Mazie Salter, director of planning for Placer County and several organizations from the south shore of Lake Tahoe.

Dr. H. M. Holmes, who will be representing the Kings Beach Community Club, expressed the personal opinion that the most pressing problem is that pedestrian crossings and parallel walking facilities are greatly inadequate in several areas.

Judge Harry Charrison who presides over the Tahoe Judicial Justice Court in Placer County was quite frank about the community's need for a crack-down on traffic violators.

"You have no idea of how serious it is," he said, "until you are in my position of sitting in court mornings hearing traffic violation cases, then driving home every day seeing the speeding and illegal passing that goes on all the time."

Anyone who wishes to attend the dinner meeting should call 246-J in Tahoe City for reservations.

Wyethia Meeting

Members of the Wyethia Club are urged to attend the meeting to be held at 8 p.m. tomorrow evening in the I.O.O.F. Hall when a special program will be presented.

Mrs. Tony Polyanich is refreshment chairman for the evening, assisted by Mesdames Annie Tonini, and Robert Bick.

NO-HIT GAME AS TnT DEFEATS QUINCY 9

QUINCY—Two Tahoe-Truckee high school pitchers Saturday combined for a seven-inning no-hit no-run victory over the Quincy baseball nine in a pre-season contest here, 8-0.

Cecil Craddock threw the first five innings for the Wolverines, with one strikeout, and sophomore Craig Robinson fanned five of the six players he faced in the last two frames. Three straight bunts in the sixth inning paved the way for a four-run rally by Tahoe-Truckee.

Buzz Trainor and L. J. Robinson each hit a double and single in four times up for the visitors. Truckee won the three-inning junior varsity game, 4-2.

Tahoe-Truckee, coached by Cal Farley, has been practicing in Verdi since its own field is covered with snow. The Wolverines open their Western Nevada Conference schedule Friday at Fallon, and play Hawthorne at Reno's Idlewild Park on Saturday.

Team: R H E
Tahoe-Truckee 8 3 2
Quincy 4 0 1

Craddock, C. Robinson (5) and L. J. Robinson; Tuner, Knight (5) and Hanley, Ames (5).

TRACK TEAM WILL TRAVEL TO STEWART

Tahoe-Truckee track squad opens its 1957 season this Saturday as they travel to Stewart for the second annual Stewart invitational meet. Starting time is 1 p.m. and there is no admission charge.

Coaches Stan Drakulich and Jim Brehler will take a 12-man squad to the meet, including the following: Doug Ball, Doug Cooke, Dave Hollewan, Doug Wilson, Barry Graton, Jerry Thompsons, Steve Ayala, Dale Eaton, Mayton Record, Stan Stock, Bob Trask and Dennis Rickert.

The team, although inexperienced and handicapped due to poor training conditions, should meet with some success in this small-school meet that was set up last year for the first time. Such schools as Douglas, Smith Valley, Carson City, Dayton, Stewart, Hawthorne, South Tahoe and possibly one or two others are expected to enter and all can be classified in the small-school category as far as track is concerned.

Due to the fact that a student may not engage in both baseball and track at the same time, all schools supporting baseball, such as Carson and Tahoe-Truckee, are finding their track squads limited in size this year.

Saturday, April 3, the Wolverine tracksters are scheduled to return to Stewart for the Carson Valley relays, another new meet es-

BOOKS CLUB

Selections from Aristotle's Ethics is the assignment for the April 10 meeting of the Great Books Discussion Group. Mrs. I. Firpo and Mrs. Delores Osburn will lead the discussion beginning at 8 p.m. in the Tahoe Lake elementary school.

On Vacation—

Mr. and Mrs. W. J. Sommer, recently married, are currently enjoying a vacation at the conclusion of which they will move to Sacramento where he has been transferred by the PMT.

Established last season for the same group of small-school participants.

STAMP COLLECTORS INVITED TO MEET

An invitation has been extended to all interested stamp collectors in this area to attend a Stamp Club meeting at the home of Mrs. Marjorie Fellows, at the Trading Post Resort, Carnelian Bay, Lake Tahoe on Thursday evening, April 11 at 8 o'clock.

Anyone having stamps they would like to trade should bring them to the meeting.

Bring some of your collections to show your fellow stamp collectors.

TRICKED BY THE WILY GOMEZ, THE JUNGLE LORD WAS FORCED TO FIGHT A BULL, WITHOUT THE CUSTOMARY ASSISTANTS. THE FIRST TWO PHASES, THE CAPE AND THE BANDERILLAS, WERE JUST COMING TO AN END...

Tarzan

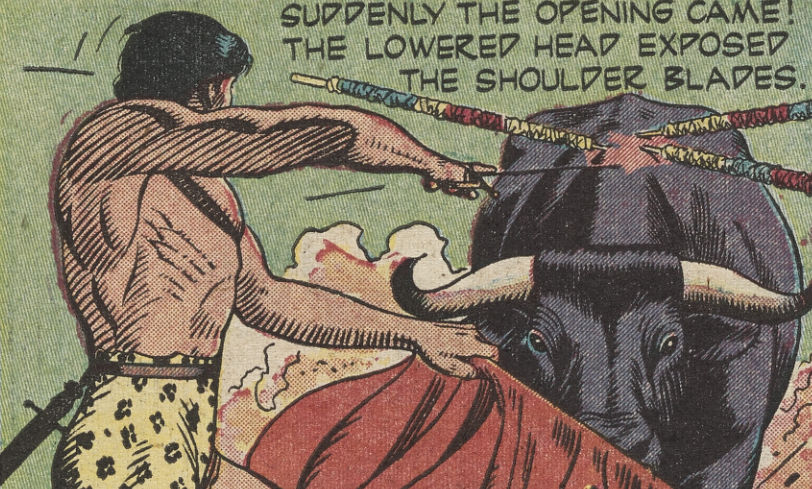

by EDGAR RICE BURROUGHS

AS THE BULL CHARGED, TARZAN EXECUTED SEVERAL PASSES WITH THE SCARLET MULETA TO POSITION THE BEAST FOR THE SWORD-THRUST.

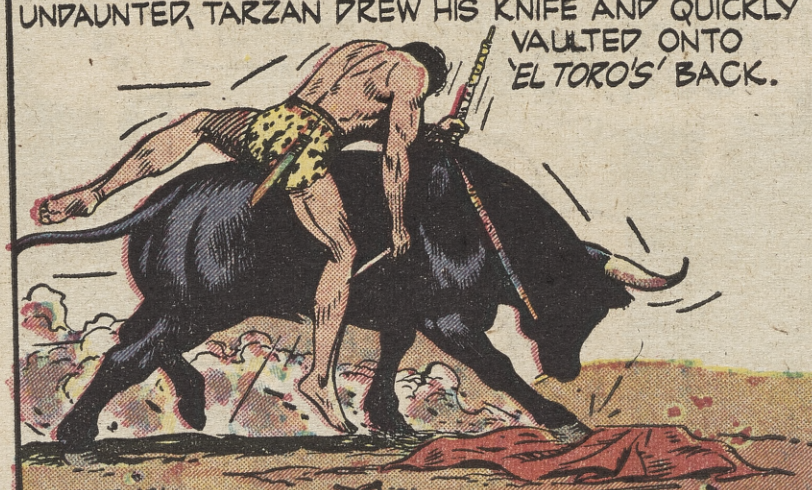

SUDDENLY THE OPENING CAME! THE LOWERED HEAD EXPOSED THE SHOULDER BLADES.

BUT WHEN HE STRUCK, THE STEEL SNAPPED AT THE HILT! GOMEZ'S TREACHERY AGAIN!

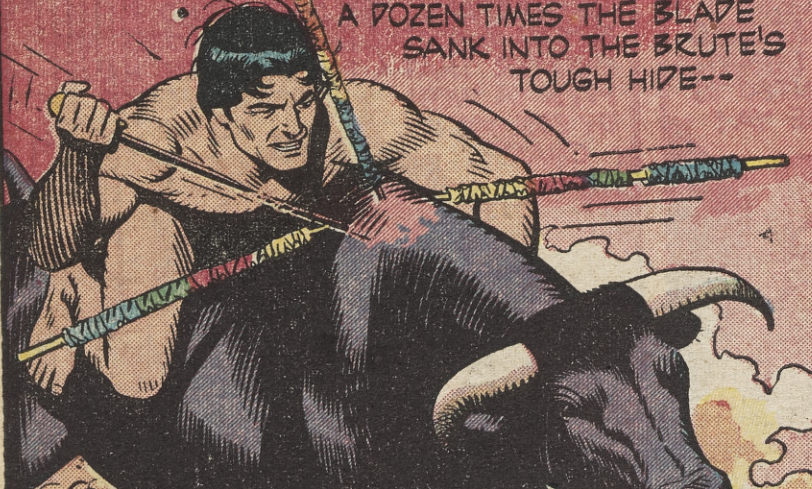

UNPAUNTED, TARZAN DREW HIS KNIFE AND QUICKLY VAULTED ONTO 'EL TORO'S' BACK.

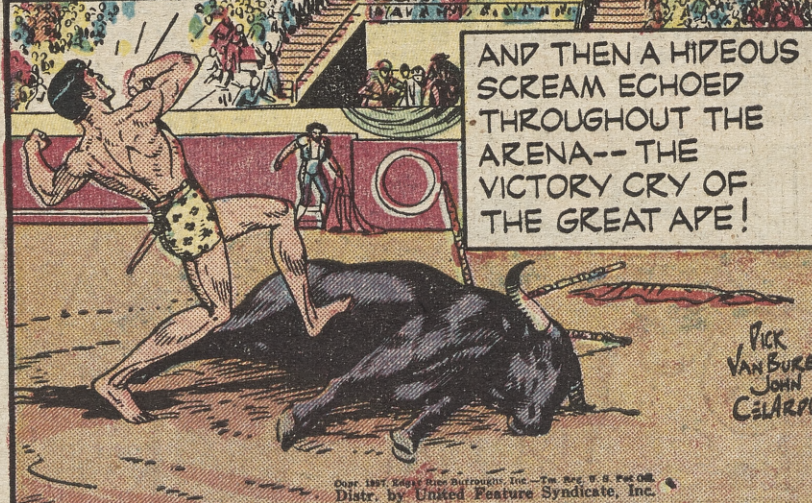

4-7-1361

A DOZEN TIMES THE BLADE SANK INTO THE BRUTE'S TOUGH HIDE--

AND THEN A HIDEOUS SCREAM ECHOED THROUGHOUT THE ARENA-- THE VICTORY CRY OF THE GREAT APE!

WHAT--WHEN THE WORLD'S LEADING COMEDIANS HAVE FAILED--WHAT IS MAKING ROCK MOANIS, THE SADDEST MAN IN THE WORLD, BURST INTO GALES OF LAUGHTER??

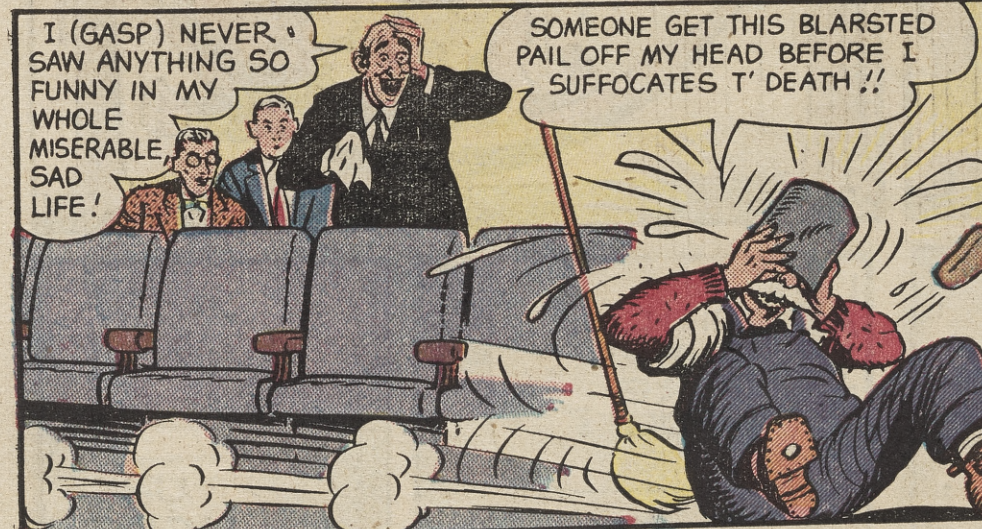

HE'S (GASP) ACTUALLY LAUGHING!

R-ROCK (CHOKE) MOANIS IS GENUINELY HAPPY!!

I (GASP) NEVER SAW ANYTHING SO FUNNY IN MY WHOLE MISERABLE SAD LIFE!

SOMEONE GET THIS BLARSTED PAIL OFF MY HEAD BEFORE I SUFFOCATES T' DEATH!!

WE HAVEN'T A MINUTE TO SPARE! WE'VE GOT TO PUT HIM UNDER AN IRONBOUND CONTRACT BEFORE HE FINDS OUT HOW REALLY VALUABLE TO OUR FUTURE HE IS!

HO-HO! HA-HA!

DON'T ASK ANY QUESTIONS-- JUST SIGN ON THE DOTTED LINE. IT PAYS TWO GRAND A WEEK--

WHAT PAYS WHO, TWO GRAND A WEEK, YOU BABOONS?

IT'S DISGUSTINGLY SIMPLE, OLD TIMER. ALL YOU HAVE TO DO IS SLIP ON A CAKE OF SOAP--

--GET YOUR HEAD CAUGHT IN A PAIL OF SLOPPY SOAP SUDS! THAT'S ALL THERE IS TO IT!

THAT'S ALL, IS IT!! WELL, LET'S SEE IF YOU THINK THERE'S ENOUGH CABBAGE IN THE WORLD T' BUY THAT KIND O' SERVICE!

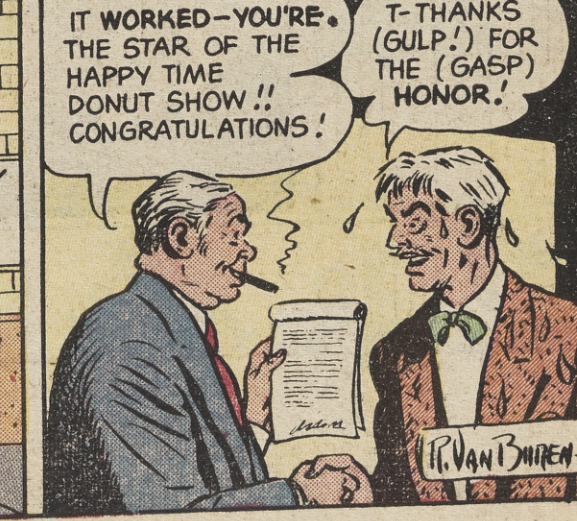

PROVIN' ONCE AND FER ALL THAT MONEY CAN'T BUY EVERYTHING!

IT WORKED--YOU'RE THE STAR OF THE HAPPY TIME DONUT SHOW!! CONGRATULATIONS!

T-THANKS (GULP!) FOR THE (GASP) HONOR!
